EXPERIENCE

MIGU, CHINA MOBILE
Visual Design Intern | Football Content Operations
JUNE - AUGUST 2026

Designed major promotional releases for Migu's 2026 FIFA World Cup documentary series *La Nuestra*（《超级主队》), including video covers, homepage graphics, profile assets, and countdown posts.

Produced real-time World Cup video cover for priority content reaching 10M+ cumulative views

INDEPENDENT DESIGN COMMISSION - MIGU
Visual Designer
AUGUST 2026

Selected for an independent commission following my internship, based on my previous work with the team.

Created seven key-art concepts and 14 final posters for multi-platform releases across Migu and other platforms; campaign artwork was also used as episode thumbnails and displayed on approximately 100,000 taxis nationwide.

M MOSER ASSOCIATES SHANGHAI
Visual Design Intern
JULY - AUGUST 2025

Created concept illustrations and environmental graphics for L'Oréal, Boeing, and HSBC, translating spatial concepts, installation ideas, and brand narratives into clear client-facing visuals.

Selected work was implemented on site; a Boeing Shanghai headquarters wall illustration was chosen for the final client proposal. Later invited to support another team on concept visualization.

SELECTED WORK

SHUXIA
Brand Identity & Packaging
Created a summer-inspired visual system spanning identity, packaging, illustration, retail applications, and e-commerce.

POCKLET
UX/UI & Interaction Design
Designed a hybrid experience exploring memory, objects, and emotional transformation through mobile flows and narrative interaction.
